Health Summit**

February/March 2013

June 14, 2013

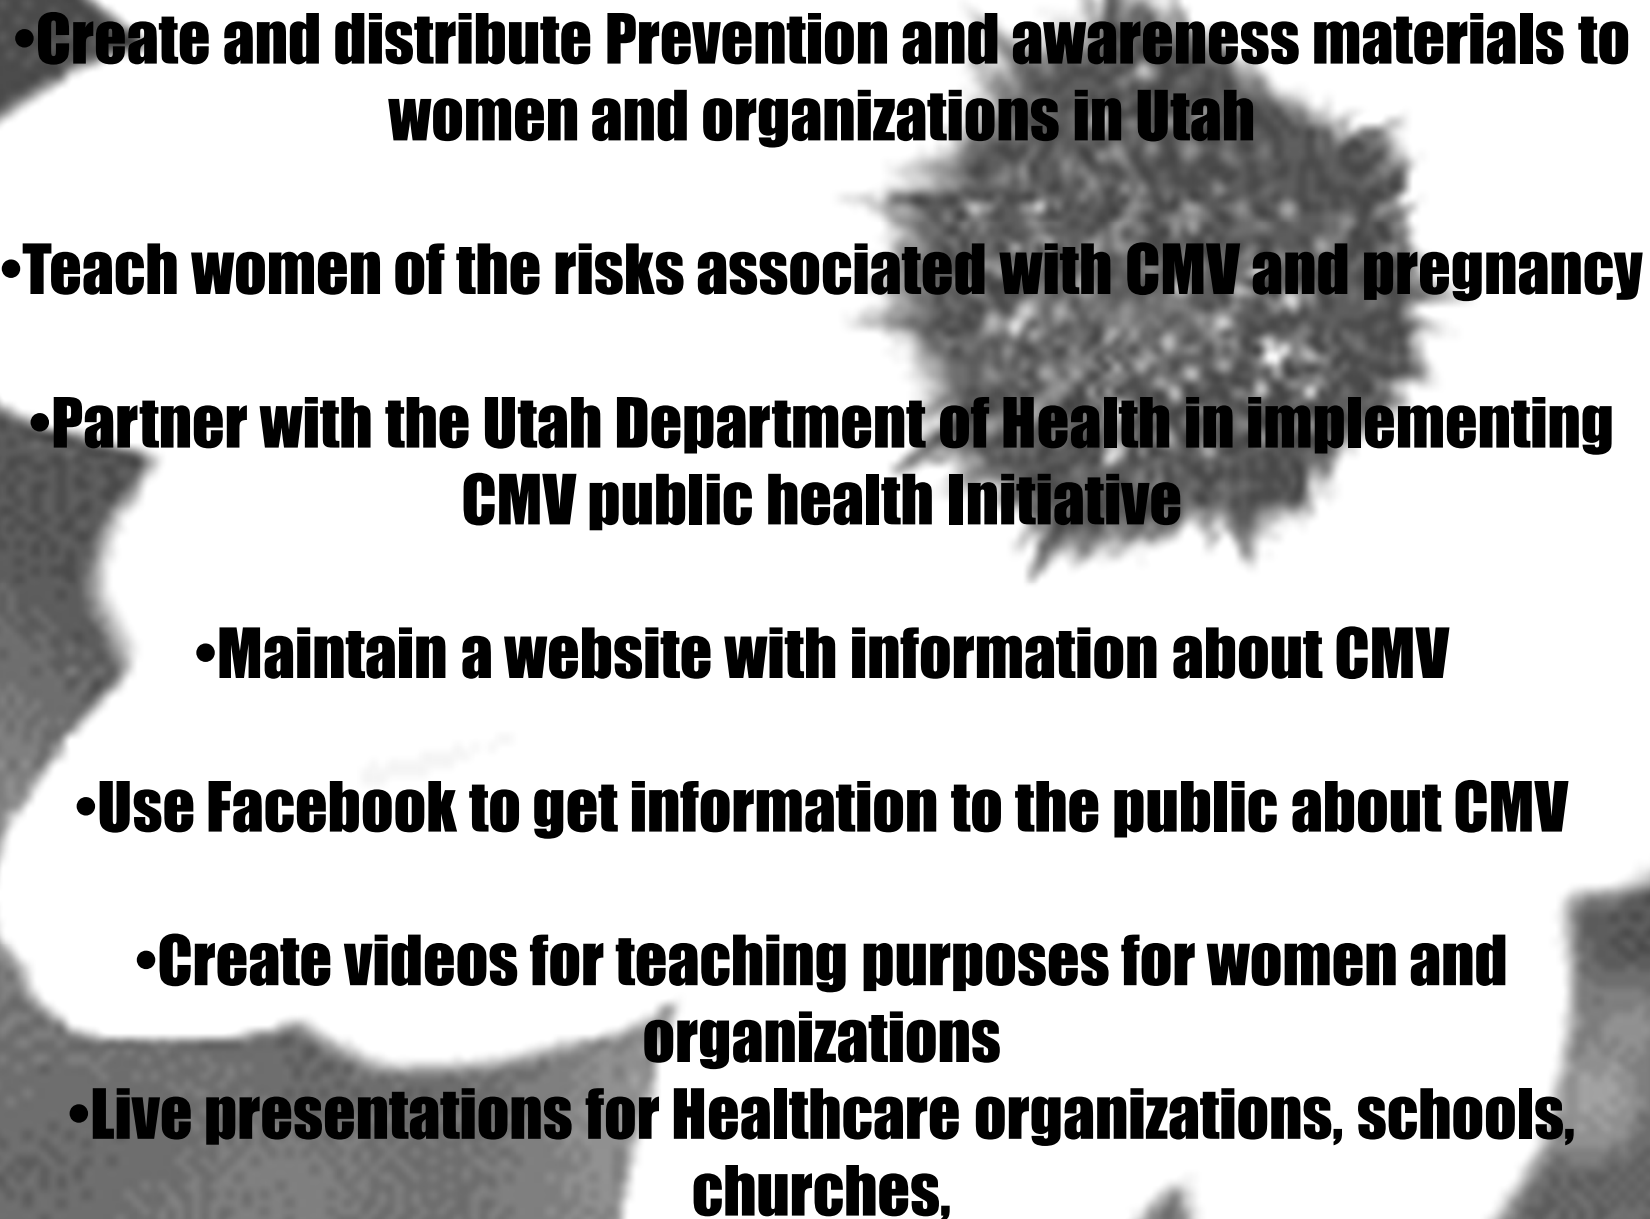

March/April 2014

**Co-Founded the Utah CMV Council
April 29, 2014**

The Utah CMV Council is a Utah based Non-profit Organization dedicated to raising awareness and promoting prevention of the devastating effects that CMV or Cytomegalovirus has on unborn babies in our State and Community.

- 
- **Create and distribute Prevention and awareness materials to women and organizations in Utah**
 - **Teach women of the risks associated with CMV and pregnancy**
 - **Partner with the Utah Department of Health in implementing CMV public health Initiative**
 - **Maintain a website with information about CMV**
 - **Use Facebook to get information to the public about CMV**
 - **Create videos for teaching purposes for women and organizations**
 - **Live presentations for Healthcare organizations, schools, churches,**
